

Keep it

The image features the word "Keep it" in a highly stylized, bubbly font. The letters are primarily blue and cyan, with thick black outlines. The word "Keep" is written in a larger, more rounded font, while "it" is in a slightly smaller, more standard bubbly font. Behind the word "Keep", there is a red, irregular shape that resembles a character's body or a splash. From this red shape, two orange, tube-like appendages extend upwards and outwards, resembling antennae or arms. A blue, curved shape is also visible behind the word, possibly representing a head or a decorative element. The entire scene is set against a white background with a thick blue border. There are several small, decorative elements: three pink, star-like shapes and one blue, swirl-like shape scattered around the text.
