

Keep it

The image features the word "Keep it" in a highly stylized, bubbly font. The letters are primarily blue and cyan with thick black outlines. The word "Keep" is written in a larger, more rounded font, while "it" is in a slightly smaller, simpler font. Behind the word "Keep", there is a red, irregular shape that resembles a character's body or a splash. From this red shape, two orange, tube-like appendages extend upwards and outwards, resembling antennae or arms. A purple shape is also visible behind the word. The entire graphic is set against a white background with a blue border. There are three pink starburst symbols scattered around the text: one to the left of "Keep", one above "Keep", and one below "Keep". A blue swirl symbol is located to the left of the word "it".
