Sun and

MOON

The word "MOON" is rendered in a bold, grey, sans-serif font with a thick black outline. The letters are set against a square background that features a vertical color gradient from purple at the top to blue at the bottom. Several yellow, crescent-shaped moons are scattered across the background, some partially overlapping the letters. Three yellow, five-pointed stars are also present in the upper portion of the background. The entire graphic is framed by a thick black border.
