

Curricular Targets

Maths - Position, Direction and Movement

YR - Y6

Based on the lancsngfl targets.

I can follow
instructions on
how to move.

I can give
instructions telling
someone how to
move and which
direction to go.

I can draw objects
in different
positions.

I can find the
position of an
object on a
labelled grid.

I know the first
four compass
directions:
N, S, E and W.

I can describe and
find the position of
a point on a grid of
squares where the
lines are numbered.

I can recognise
simple examples
of horizontal and
vertical lines.

I can use the
eight compass
directions N, S, E,
W, NE, NW, SE,
SW.

I can read and
plot co-ordinates
in the first
quadrant.

I can recognise
perpendicular and
parallel lines.

I can read and
plot co-ordinates
in all four
quadrants.

I can find
co-ordinates of
points determined
by geometric
information.
