

**Romano**

nerals

The image features the word "nerals" in a large, bold, black-outlined font. The letters are filled with a white, marbled texture. The background is a warm, golden-brown gradient. Scattered across this background are various 3D-rendered letters in different colors (gold, blue, red) and orientations, some appearing to be floating or falling. The entire composition is framed by a thick black border.
