

There

There are three dogs.

My house is over **there**.

There was a strange
noise coming from
upstairs.

Their

Alice and her sister
were playing in **their**
bedroom.

They both picked **their**
favourite dolls.

Their shows **possession** by more than one person or thing.

They're

They're going to the circus.

I'm sure **they're** going to have a lot of fun!

They're is the shortened form of **they are**.
